

Copenhagen Capacity can assist you with an easy and quick setup in the Copenhagen Region – the best place in the world to conduct business!

Copenhagen Capacity is the official inward investment agency of the Capital Region of Denmark. Our mission is to advise and to assist foreign companies, considering setting up or expanding in Copenhagen.

Copenhagen Capacity places a number of services free of charge at your disposal. A professional and dedicated staff with firsthand business knowledge and know-how concerning location processes is ready to assist you.

Our free services include:

- Comprehensive information on investment opportunities in the Copenhagen Region, key business sectors and location parameters
- Detailed analysis and decision-making support for your company, including cost/quality benchmarking of alternative locations and presentations of business cases
- Organizing tailor-made visit programs to the region
- Contacts with location and business network, including public authorities, professional service companies and venture companies
- Hand-on advice and practical assistance on how to set up your business in Copenhagen
- Ongoing services, including assistance in expanding activities in the region

The services of Copenhagen Capacity are open to all foreignowned companies and are based on an extensive experience in assisting in more than 500 investment projects.

Denmark - best country for business

For several consecutive years both Forbes Magazine and the Economist Intelligence Unit (EIU) in the UK has selected Denmark "the best place in the world to do business" in their annual analysis of the global business climate.

Welcome to the best place in the world to conduct business!
