

When you **settle in Denmark** - remember insurance

It is important that your insurance portfolio matches your life so you are covered in case of damage to you or your belongings.

Insurance for foreigners

At Tryg, we have extensive expertise with insurance for internationals residing in Denmark, and our employees all speak English to avoid communication problems. Furthermore, we can offer you insurance policies in English.

Compulsory insurance

In Denmark, three types of insurance are compulsory:

- Third-party liability – if you have a motor vehicle
- Third-party liability – if you have a dog
- Workmen's compensation – if you are an employer

All other insurance is optional, but we recommend that you take out Contents Insurance and Personal Accident Insurance.
